

Whatever the future holds
2021 will still be the

50 yrs Golden Jubilee

of

The Bernese Mountain Dog Club of Great Britain

We cannot know for sure what form our celebrations will be able to take next year. It is a difficult time to plan anything!! However, we do plan a special event in September (Wednesday 22nd to Saturday 25th) with shows offering 3 X UK CCs in 2 days plus an International BMD Health Seminar and the BIWG meeting. There will also be evening events to relax between daytime activities.

The venue is the Kennel Club Building at Stoneleigh Business Park and Showground near the town of Kenilworth in the area of Birmingham City. Nearby places of interest include Stratford upon Avon and Warwick Castle.

We have hotel rooms reserved on site available for visitors. More exact details and how to book will be announced next year. Any enquiries or early reservation requests can be sent to myself or Emily at

golden@bernese.co.uk

Our club looks forward to greeting our overseas friends and Bernese lovers next September.

Thank you very much

Steve Green

BMDC of GB

Our website at bernese.co.uk will have updates when we know more
